☐ Continuation Sheet Attached

**Brief Description of Arguments to be Presented:**

Pro se Applicant requests constructive assistance from Examiner. Applicant wishes to provide a clearer perspective between teachings of Applicant and Belfiore. Applicant wishes to show how Belfiore makes no teaching or reference regarding matters of performing domain name registration requests and determining whether a domain name is available for registration under a specified set of conditions. Applicant has already successfully overcome Belfiore with respect to domain name registration in a related app now issued as Patent No. 6,338,082. Applicant wishes to address the issue of terminal disclaimer to avoid rejections of double-patenting.
